SURRENDER
OF
LICENSE

ROBERT P. ANDREWS, M.D., (Respondent), representing that all of the following statements are true, deposes and says:

That on or about November 9, 2001, I was licensed to practice medicine in the State of New York and issued license number 223251 by the New York State Education Department.

My current address is REDACTED

I understand that the New York State Board for Professional Medical Conduct has charged me with eight (8) Specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license to practice medicine in the State of New York on the grounds that I do not contest the eight (8) Specifications.

I ask the Board to accept the surrender of my license, and I agree to be bound by all of the terms set forth in attached Exhibit "B."

I understand that if the Board does not accept my Surrender of License none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Surrender of License shall not be used against me in any way and shall be kept in strict confidence; and

the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board accepts the surrender of my license, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I agree that the Surrender Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Surrender Order by first class mail to me at the address in this Surrender of License, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. As public documents, they may be posted on the Department's website.

I ask the Board to accept this Surrender of License, which I submit of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct, and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed Surrender of License and Surrender Order, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

STATEMENT
OF
CHARGES

ROBERT P. ANDREWS, M.D., Respondent, was authorized to practice medicine in New York State on November 9, 2001, by the issuance of license number 223251 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about April 4, 2007, the Maine Board of Licensure in Medicine (hereinafter "Maine Board"), by an "Notice of scheduling of Informal Conference in the complaint of Robert G. Wright, P.A.-C" (hereinafter "Maine Action 1"), requested Respondent's attendance at an "Informal Conference," the focus of which was "issues related to your prescribing practices and medical records documentation," including in relevant part "Record keeping of the diagnosis, treatment, and prescriptions for patient DM" and "Your statement that you wrote prescriptions for Marinol [for patient DM, Respondent's "significant other"] out to yourself because your insurance would cover the cost."

B. On or about June 12, 2007, at the "Informal Conference," Respondent surrendered his Maine medical license "in lieu further proceedings" regarding the pending complaint and the Maine Board accepted Respondent's license surrender (hereinafter "Maine Action 2").

C. On or about October 14, 2008, the Maine Board, by a "Consent Agreement for Confidential Licensure" (hereinafter "Maine Action 3"), reinstated Respondent's medical license but ordered that Respondent's medical license be indefinitely restricted such that Respondent shall not apply for or obtain a federal DEA registration, shall not prescribe any controlled substances to any individual in Maine, and shall complete "Ethics and boundaries" and "Prescribing practices" courses, based on Respondent having committed "unprofessional conduct" by violating a "standard of professional behavior" by "inappropriately" prescribing

controlled substances, specifically by issuing 37 Hydrocodone prescriptions and 12 Xanax prescriptions to patient DM between December 14, 2005 and December 19, 2006.

D. The conduct resulting in Maine Actions 1, 2, and 3 would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law §6530(32) (failing to maintain a record that accurately reflects the evaluation and treatment of a patient);
2. New York Education Law §6530(2) (practicing the profession fraudulently); and/or
3. New York Education Law §6530(3) (negligence on more than one occasion).

E. On or about December 3, 2007, the Washington Medical Quality Assurance Commission (hereinafter "Washington Commission"), by an "Ex Parte Order of Summary Suspension" (hereinafter "Washington Order 1"), summarily suspended Respondent's medical license based on Maine Actions 1 and 2 and Respondent's underlying conduct, which would constitute misconduct in Washington.

F. On or about April 10, 2008, the Washington Commission, by a "Findings of Fact, Conclusions of Law and Final Order (Waiver of Hearing)" (hereinafter "Washington Order 2"), indefinitely suspended Respondent's medical license based on Maine Actions 1 and 2, and Respondent's underlying conduct, which would constitute misconduct in Washington.

G. The conduct resulting in Washington Orders 1 and 2 would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law §6530(9)(d) (having disciplinary action taken by a duly authorized professional disciplinary agency of another state where the conduct resulting in the disciplinary action would, if committed in New York State, constitute professional misconduct).

SPECIFICATIONS OF MISCONDUCT
FIRST THROUGH FIFTH SPECIFICATIONS

Respondent violated New York Education Law §6530(9)(d) by having his license to practice medicine suspended and/or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the license suspension and/or other disciplinary action would, if committed in New York State, constitute professional misconduct under the laws New York State, in that Petitioner charges:

7. Respondent shall not share, occupy or use office space in which another licensee provides health care services. Respondent shall cause all signs to be removed within fifteen (15) days and stop all advertisements, professional listings whether in telephone directories, on the internet or otherwise, professional stationery or billings by which his/her eligibility to practice is represented.
8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by Respondent or others) while barred from engaging in the practice of medicine. Respondent may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of this Order.
9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and if Respondent's license is revoked, surrendered or suspended for a term of six months or more under the terms of this Order, Respondent shall divest himself/herself of all financial interest in the professional services corporation in accordance with New York Business Corporation Law. Such divestiture shall occur within ninety (90) days of the effective date of this Order.
