STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10) (p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state. Respondent is also charged with violation New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state. Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

1. Jan Larsson, M.D., the Respondent, did not appear at the hearing and was duly served and notified of the hearing, by substituted service of process, on March 20, 2012. (Petitioner's Exhibit 2.)
2. Jan Larsson, M.D., the Respondent, was authorized to practice medicine in New York State on July 5, 1995, by the issuance of license number 200017 by the New York State Education Department (Petitioner's Ex. 4).
3. On or about On or about May 8, 2009, in the Superior Court of California, County of Los Angeles, Respondent was found guilty, based on pleas of guilty to two counts of Failure To File Income Tax Returns, in violation of California Revenue and Taxation Code Section 197060, a felony. 4. On or about August 16, 2011, the Medical Board of California, Department of Consumer Affairs, State of California (hereinafter "California Board"), by a Default Decision and Order (hereinafter "California Order"), revoked Respondent's license to practice medicine based on his conviction of the crime of tax evasion, a crime substantially related to the qualifications, functions and duties of a physician.

VOTE OF THE HEARING COMMITTEE

SPECIFICATIONS

FIRST SPECIFICATION

"Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York State, constitute professional misconduct under the laws of New York State..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York State, constitute professional misconduct under the laws of New York State..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing, either in person or by counsel. The Administrative Law Judge, after considering the documentary evidence, which included an Affidavit of Substituted Service of the Notice of Referral Proceeding and the Statement of Charges (Petitioner's Exhibit 2) ruled that the Petitioner had met the requirements of law for service of process, that jurisdiction had been established over the Respondent and that the hearing could proceed on the merits notwithstanding the Respondent's absence.

The record in this case indicates that the California Medical Board had revoked the Respondent's medical license for the crime of tax evasion. The documents submitted by the Department show that the Respondent pled guilty to two counts of Failure To File Income Tax Returns, in violation of California Revenue and Taxation Code Section 197060, a felony. The record goes on to show that these felony charges were reduced to misdemeanors, pursuant to 17B(1.5) of the California Penal Code and the

Respondent was sentenced to two years of summary probation, restitution of \$8,619.00, a fine of \$100.00 and ordered to surrender his California medical license.

Two years later, on or about August 16, 2011, the Medical Board of California, by a Default Decision and Order, revoked Respondent's license to practice medicine based on this conviction deeming it a crime substantially related to the qualifications, functions and duties of a physician in that it indicated moral unfitness.

The Respondent has not appeared by a New York Attorney for the present matter and the Hearing commenced in his absence. The record does not contain any evidence of mitigating circumstances, or remorse. The panel noted that that the Respondent was aware of this proceeding and chose not to appear or be represented by counsel in New York. As to an appropriate penalty, the Hearing Committee considered the full range of penalties available and determined that the people of New York State would be protected by a revocation of the Respondent's license.

ORDER

IT IS HEREBY ORDERED THAT:

1. The specifications of professional misconduct, as set forth in the Statement of Charges, are **SUSTAINED**.
2. The license of the Respondent to practice medicine in New York State is revoked.
3. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).
