MICHAELIS JACKSON, M.D., being duly sworn, deposes and says:

In or about 1987, I was licensed to practice as a physician in the State of New York, having been issued License No. 172956 by the New York State Education Department.

I am not currently registered with the New York State Education Department to practice as a physician in the State of New York.

I understand that the New York State Board for Professional Medical Conduct has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit "A".

I admit guilt to the First Specification in full satisfaction of the charges against me.

I hereby agree to the following penalty:

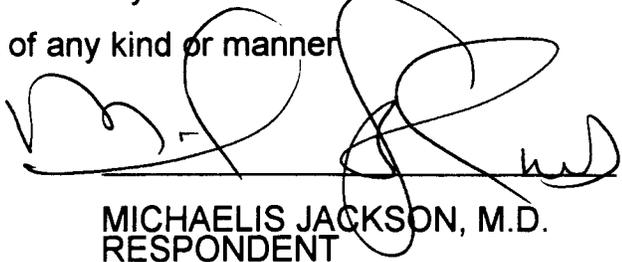

- a. My license to practice medicine in the State of New York shall be suspended for a period of two (2) years and such suspension shall be stayed.
- b. I shall be placed on probation with practice monitoring for a period of two (2) years subject to the Terms of Probation attached hereto as Exhibit "B". Said period of probation shall be tolled until I engage in the active practice of medicine in New York State.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.
