IN THE MATTER

OF

GEORGETOWNE MEDICAL P.C.

CONSENT
AGREEMENT
AND ORDER

BPMC No. #08-105

GEORGETOWNE MEDICAL P.C. (Respondent) says:

The Respondent is a professional service corporation duly authorized to practice medicine in New York State by the filing with the Department of State on January 21, 2003, of a certificate of incorporation, pursuant to Article 15 of the Business Corporation Law.

The Respondent is subject to the jurisdiction of the State Board for Professional Medical Conduct, and the pre-hearing and hearing procedures of Title II-A of Article 2 of the New York Public Health Law, pursuant to § 1503(d) of the Business Corporation Law.

The Respondent is applying to the State Board for Professional Medical Conduct for a Consent Agreement and Order imposing a penalty, pursuant to § 230-a of the Public Health Law and § 1503(d) of the Business Corporation Law, of annulment of its certificate of incorporation such that the annulment shall be effective immediately and shall be self-executing, and this Consent Agreement and Order shall be deemed automatically to be the final and operative document annulling the Respondent's certificate of incorporation, and the Respondent requests that the Board issue this Consent Agreement and Order.

The Respondent acknowledges that it has been charged with professional misconduct as set forth in the Statement of Charges, annexed, hereto, made a part hereof, and marked as Exhibit "A."

Subject to the terms, conditions and limitations of this Consent Agreement and Order, the Respondent admits the allegations and specifications set forth in the Specification of the Statement of Charges in full satisfaction of all such allegations and specifications.

The Respondent agrees that, in the event the State Board for Professional Medical Conduct agrees with its proposal, this Consent Agreement and Order shall be issued annulling its certificate of incorporation. The Respondent agrees that such annulment shall be effective immediately and shall be self-executing, and this Consent Agreement and Order shall be deemed automatically to be the final and operative document annulling the Respondent's certificate of incorporation. The Respondent agrees, notwithstanding the above, nothing herein shall be construed to absolve the Respondent in any way from paying the Departments of State, Education, and Taxation and Finance any outstanding taxes, fines and penalties. This Consent Agreement and Order, and all Exhibits, shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

In addition, the Respondent agrees that this Consent Agreement and Order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of this Consent Agreement and Order to it in care of (Resident) Ahmed Erfan Halima, M.D., Redacted Address, or its attorney, Maria C. Diglio, Esq., Belesi & Conroy, P.C., 1225 Franklin Avenue, Ste. 400, Garden City, NY 11530, or upon transmission via facsimile to it or its attorney, whichever is earliest.

The Respondent shall fully cooperate in every respect with the Office of Professional Medical Conduct in its administration and enforcement of this Consent Agreement and Order by written responses, attending meetings or providing documentation concerning verification of its compliance with the terms of this Consent Agreement and Order.

The Respondent stipulates that its failure to comply with any conditions of this Consent Agreement and Order shall constitute misconduct as defined by § 6530(29) of the Education Law. The Respondent agrees that in the event it is charged with professional misconduct in the future for violation or non-compliance with any provisions of this Consent Agreement and Order, or in the event that it is charged with professional misconduct in the future or any other type of misconduct, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

The Respondent acknowledges that, in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon it or construed to be an admission of any act of misconduct alleged or charged against it, such proposed agreement shall not be used against it in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

The Respondent stipulates that the proposed sanction and Consent Agreement and Order are authorized by §§ 230 and 230-a of the Public Health Law, and that the Board and OPMC have the requisite powers to carry out all included terms. The Respondent is making this application of its own free will and accord and not under duress, compulsion or restraint of any kind of manner. In consideration of the value to it of the acceptance by the Board of this application allowing it to resolve this matter without the various risks and burdens of a hearing on the merits, the Respondent knowingly waives any right it may have to contest, whether administratively or judicially, the Consent Agreement and Order issued hereunder for which it hereby applies, the Respondent agrees to be bound by it, and the Respondent asks that the application be granted.

The Respondent is making this application through its President and Shareholder, Ahmed Halima (also known as Ahmed Erfan Halima and Ahmed Erfan Halima, M.D.), and the Respondent and Ahmed Halima warrant that he has the necessary corporate authority to enter into this Consent Agreement and Order on behalf of the Respondent and to consent on behalf of the Respondent to the annulment of the Respondent's certificate of incorporation.

The Respondent understands and agrees that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Order, based upon its application,

or to decline to do so. The Respondent further understands and agrees that no prior or separate written or oral communication can limit that discretion.

EXHIBIT A

STATE OF NEW YORK : DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER
OF
GEORGETOWNE MEDICAL P.C.**

**STATEMENT
OF
CHARGES**

The Respondent, Georgetowne Medical P.C. (hereinafter "Georgetowne"), is a professional service corporation duly authorized to practice medicine in the State of New York by the filing of a certificate of incorporation with the Department of State on January 21, 2003, pursuant to N.Y. Bus. Corp. Law, Article 15. Respondent is subject to the jurisdiction of the State Board for Professional Medical Conduct, and the pre-hearing and hearing procedures of Title II-A of Article 2 of the N. Y. Pub. Health Law, pursuant to N.Y. Bus. Corp. Law §1503(d).

FACTUAL ALLEGATIONS

- A. A professional service corporation may be organized by one or more individuals who are duly authorized by law to render the same professional service, pursuant to the legal requirements of N.Y. Bus. Corp. Law, Article 15, including, but not limited to, §1503(a).
- B. On or about October 25, 1996, Ahmed Erfan Halima, M.D. (also known as Ahmed Halima) (hereinafter "Dr. Halima") was licensed to practice as a physician in the State of New York and issued license number 204777 by the New York State Education Department.
Accordingly, at all relevant times, Dr. Halima was duly authorized by law to practice medicine in the State of New York.
- C. Pursuant to Respondent Georgetowne's certificate of incorporation, filed with

the Secretary of State on January 21, 2003, Dr. Halima was Respondent's sole shareholder, officer, and director, and was identified as the individual who was duly authorized by law to practice medicine.

- D. Dr. Halima remained Respondent's sole shareholder, director, and officer from inception through the present, but did not control Respondent.
- E. That since he became the owner of "Georgetowne" as stated above, Dr. Halima has not in fact been the true owner of same, since "Georgetowne" was actually owned by other(s) not licensed to practice medicine in the State of New York.
- F. Dr. Halima permitted such other(s) to falsely list Dr. Halima's name on corporate papers and public records as the physician who owned and controlled "Georgetowne."
- G. That Dr. Halima did so to permit such other(s) to secretly own and control "Georgetowne," since Dr. Halima knew they were legally prohibited from owning and controlling medical practices.
- H. Dr. Halima knew that all profits from "Georgetowne" were illegally funneled to the aforesaid other(s) through ostensibly legitimate fees for management or billing and collection services.
- I. That Dr. Halima was paid \$1,000. to \$2,000. a month for allowing his name to be falsely listed on "Georgetowne's" ownership records as the physician who owned and controlled "Georgetowne."
- J. That Dr. Halima provided signature stamps to the aforesaid other(s) at "Georgetowne" to open bank accounts, to sign and endorse checks, and to sign narrative reports and bills over Dr. Halima's name.
- K. That Dr. Halima never had any input into or saw any tax returns prepared for "Georgetowne," for which Dr. Halima was listed as owner.
- L. That since the certificate of incorporation of "Georgetowne" was filed with the Secretary of State on January 21, 2003, the Respondent has not been in

compliance with Section 1503(a) of the New York Business Corporation Law; and yet the Respondent has allowed the status quo to remain in effect. The Respondent, therefore, has willfully failed to comply with the requirements of N.Y. Bus. Corp. Law, Article 15, including, but not limited to, §1503(a).

SPECIFICATION OF MISCONDUCT

FIRST SPECIFICATION

WILLFUL FAILURE TO COMPLY WITH N.Y. BUS. CORP. LAW

Respondent is charged with committing professional misconduct as defined in New York Education Law §6530(12) by willfully failing to comply with sections fifteen hundred three and fifteen hundred fourteen of the New York Business Corporation Law, as alleged in the facts of:

1. Paragraphs A - L.
