EUGENE RICE, M.D. aka EUGENIO CHAVEZ-RICE, M.D., representing that all of the following statements are true, deposes and says:

That on or about January 30, 1987, I was licensed to practice medicine in the State of New York, and issued license number 169268 by the New York State Education Department.

My current address is . , and I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) Specifications of professional misconduct, based solely on the December 12, 2008, Texas Medical Board, Agreed Order.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

I do not contest the second Specification, in full satisfaction of the charges against me, and agree to the following penalty:

Censure and Reprimand;

Respondent shall pay a \$500.00 fine, to be paid within thirty (30) days of the effective date of the Consent Order to the NYS Department of Health, Bureau of Accounts Management, Revenue Unit, Empire State Plaza, Corning Tower, Room 1717, Albany, NY 12237-0016.

I agree, further, that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including, but not limited to, the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the effective date of the Consent Order and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the OPMC in its administration and enforcement of the Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Agreement. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first

class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so.
