IN THE MATTER

CONSENT

OF

AGREEMENT

KEITH EVAN FRASER, M.D.  
CO-09-03-1293-A

---

**KEITH EVAN FRASER, M.D.**, (Respondent), representing that all of the following statements are true, deposes and says:

That on or about March 9, 1988, I was licensed to practice medicine in the State of New York and issued license number 173874 by the New York State Education Department.

My current address is \_\_\_\_\_, and I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of my address within thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) Specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

I do not contest the two (2) Specifications, and agree to the following sanction:

One (1) year suspension of my license to practice medicine, to run concurrent and coterminous with the active suspension imposed in the State of New Jersey, Department of Law & Public Safety, Division of Consumer Affairs, State Board of Medical Examiners, Final Consent Order, dated July 17, 2009, and any extensions and/or modifications thereof. I shall be subject to the condition that I comply with attached Exhibit "C" ("Requirements for Closing a Medical Practice Following Medical License Revocation, Surrender or Suspension of a Medical License").

Following the one (1) year suspension above, Respondent shall be subject to three (3) years probation, with terms and conditions, in accordance with Exhibit "B" attached, hereto, and any extension and/or modifications, thereto;

Respondent's license to practice medicine shall have a permanent restriction to require a chaperone to be present for the examination and treatment of all female patients;

Respondent shall pay a \$2,500.00 fine, to be paid within one (1) year of the effective date of the Consent Order to the NYS Department of Health, Bureau of Accounts Management, Revenue Unit, Empire State Plaza, Corning Tower, Room 1717, Albany, NY 12237-0016.

Should Respondent return to the practice of medicine in the State of New York or in any jurisdiction where that practice is predicated upon Respondent's New York State medical license, Respondent shall provide ninety (90) days notice in writing to the Director, OPMC. The Director in his sole discretion, may impose whatever limitations, or further conditions, he deems appropriate.

I agree, further, that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including, but not limited to, the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the effective date of the Consent Order and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the OPMC in its administration and enforcement of the Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Agreement. Respondent shall meet with a person designated by the Director, OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

AFFIRMED:

DATED: 4.6.10

**KEITH EVAN FRASER, M.D.**, Respondent, was authorized to practice medicine in New York State on March 9, 1988, by the issuance of license number 173874 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about July 17, 2009, the State of New Jersey, Department of Law & Public Safety, Division of Consumer Affairs, State Board of Medical Examiners, (hereinafter "New Jersey Board"), by a Final Consent Order (hereinafter "New Jersey Order"), inter alia, suspended Respondent's license to practice medicine for three (3) years, the initial year of the suspension to be served as an active suspension, the remaining two (2) years stayed and to be served as a period of probation, conditioned on Respondent's compliance with provisions set by the New Jersey Board, assessed a \$10,000.00 civil penalty and \$3,201.03 costs of investigation, and required him to take and successfully complete an ethics course, based on engaging in the use or employment of dishonesty, fraud, deception or misrepresentation; engaging in professional or occupational misconduct; engaging in acts constituting a crime or offense involving moral turpitude or relating adversely to the activity regulated by the New Jersey Board; and failing to demonstrate good moral character.

B. The conduct resulting in the New Jersey Board disciplinary action against Respondent would constitute misconduct under the laws of New York state, pursuant to the following sections of New York state law:

1. New York State Education Law §6530(2) (practicing the profession fraudulently);
2. New York State Education Law §6530(17) (exercising undue influence on the patient);

**EXHIBIT B**  
**Terms of Probation**

1. Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by N.Y. Educ. Law §§ 6530 or 6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to N.Y. Pub. Health Law § 230(19).
2. Respondent shall maintain active registration of Respondent's license (except during periods of actual suspension) with the New York State Education Department, Division of Professional Licensing Services, and shall pay all registration fees.
3. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; all current and past affiliations and/or privileges, with hospitals, institutions, facilities, medical practices, and managed care organizations, and/or applications for such affiliations, and/or privileges; and all investigations, arrests, charges, convictions and/or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information.
4. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the request of the Director, OPMC, Respondent shall meet in person with the Director's designee.
5. Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law § 171(27); State Finance Law § 18; CPLR § 5001; Executive Law § 32].
6. The probation period shall toll when Respondent is not engaged in active medical practice in New York State for a period of 30 consecutive days or more. Respondent shall notify the Director, OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive 30 day period or more. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period shall resume and Respondent shall fulfill any unfulfilled probation terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.
7. The Director, OPMC, may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts, and/or electronic records; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.

8. Respondent shall adhere to federal and state guidelines and professional standards of care with respect to infection control practices. Respondent shall ensure education, training and oversight of all office personnel involved in medical care, with respect to these practices.
9. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.
10. Respondent shall enroll in and complete a continuing education program in the area of professional ethics. This continuing education program is subject to the prior written approval of the Director, OPMC, and shall be completed within six (6) months of the effective date of the probation period.

#### PRACTICE MONITOR

11. Respondent shall practice medicine only when monitored by a licensed physician, board certified in an appropriate specialty, ("practice monitor") proposed by Respondent and subject to the written approval of the Director of OPMC. Any medical practice in violation of this term shall constitute the unauthorized practice of medicine.
  - A. Respondent shall make available to the monitor any and all records or access to the practice requested by the monitor, including on-site observation. The practice monitor shall visit Respondent's medical practice at each and every location, on a random unannounced basis at least monthly and shall examine a selection (no fewer than 20) of records maintained by Respondent, including patient records, prescribing information and office records. The review will determine whether the Respondent's medical practice is conducted in accordance with the generally accepted standards of professional medical care. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the monitor shall be reported within 24 hours to OPMC.
  - B. Respondent shall cause the practice monitor to report quarterly, in writing, to the Director of OPMC.

Respondent shall maintain medical malpractice insurance coverage with limits no less than \$2 million per occurrence and \$6 million per policy year, in accordance with Section 230(18)(b) of the Public Health Law. Proof of coverage shall be submitted to the Director of OPMC prior to Respondent's practice after the effective date of this Order.

12. Respondent shall comply with this Consent Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or a violation of, these terms, the Director, OPMC, and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.

## EXHIBIT "C"

### **REQUIREMENTS FOR CLOSING A MEDICAL PRACTICE FOLLOWING A REVOCATION, SURRENDER OR SUSPENSION (of six months or more) OF A MEDICAL LICENSE**

1. Respondent shall immediately cease and desist from engaging in the practice of medicine (in New York State) in accordance with the terms of the Order. In addition, Respondent shall refrain from providing an opinion as to professional practice or its application and from representing himself as being eligible to practice medicine.
2. Respondent shall have delivered, to OPMC at Hedley Park Place, 433 River Street Suite 303, Troy, NY 12180-2299, Respondent's original license to practice medicine in New York State and current biennial registration within five (5) days of the effective date of the Order.
3. Respondent shall within fifteen (15) days of the Order, notify all patients of the cessation of his medical practice and will refer all patients to another licensed practicing physician for their continued care, as appropriate.
4. Respondent shall make arrangements for the transfer and maintenance of the medical records of his patients. Within thirty days of the effective date of the Order, Respondent shall notify OPMC of these arrangements including the appropriate and acceptable contact person's name, address, and telephone number who shall have access to these records. Original records shall be retained for at least six years after the last date of service rendered to a patient or, in the case of a minor, for at least six years after the last date of service or three years after the patient reaches the age of majority, whichever time period is longer. Records shall be maintained in a safe and secure place that is reasonably accessible to former patients. The arrangements shall include provisions to ensure that the information on the record is kept confidential and made available only to authorized persons. When a patient and/or his/her authorized representative requests a copy of the patient's medical record, or requests that the original medical record be forwarded to another health care provider, a copy of the record shall be promptly provided or forwarded at a reasonable cost to the patient (not to exceed seventy-five cents per page.) Radiographic, sonographic, and like materials shall be provided at cost. A qualified person shall not be denied access to patient information solely because of his/her inability to pay.
5. In the event that Respondent holds a Drug Enforcement Agency (DEA) certificate, Respondent shall, within fifteen (15) days of the Order's effective date, advise the DEA, in writing, of the licensure action and shall surrender his/her DEA controlled substance privileges to the DEA. Respondent shall promptly surrender any unused DEA #222 U.S. Official Order Forms Schedules 1 and 2 to the DEA.
6. Respondent shall within fifteen (15) days of the Order's effective date, return any unused New York State official prescription forms to the Bureau of Narcotic Enforcement, New York State Department of Health at 433 River Street, Suite 303, Troy, NY 12180-2299. Respondent shall cause all prescription pads bearing his/her name to be destroyed. If no other licensee is providing services at Respondent's practice location, all medications shall be properly disposed of.

7. Respondent shall not share, occupy or use office space in which another licensee provides health care services. Respondent shall cause all signs to be removed within fifteen (15) days and stop all advertisements, professional listings whether in telephone directories, on the internet or otherwise, professional stationery or billings by which his/her eligibility to practice is represented.
8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by Respondent or others) while barred from engaging in the practice of medicine. Respondent may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of this Order.
9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and if Respondent's license is revoked, surrendered or suspended for a term of six months or more under the terms of this Order, Respondent shall divest himself/herself of all financial interest in the professional services corporation in accordance with New York Business Corporation Law. Such divestiture shall occur within ninety (90) days of the effective date of this Order. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the effective date of this Order.
10. Failure to comply with the above directives may result in a civil penalty or further criminal penalties as may be authorized pursuant to the law. Under Section 6512 of the Education Law it is a Class E Felony, punishable by imprisonment of up to 4 years, to practice the profession of medicine when such professional license has been suspended, revoked or annulled. Such punishment is in addition to the penalties for professional misconduct set forth in Section 230-a of the Public Health Law, which includes fines of up to \$10,000 for each specification of charges of which Respondent is found guilty and may include revocation of a suspended license.
