BUNGORN BOONSURMSOWONGSE, M.D., being duly sworn, deposes
and says:

On or about March 5, 1976, I was licensed to practice as a
physician in the State of New York having been issued License
No. 126422 by the New York State Education Department.

I am not currently registered with the New York State
Education Department to practice as a physician in the State of
New York.

I understand that I have been charged with two (2)
specifications of professional misconduct as set forth in the
Statement of Charges, annexed hereto, made a part hereof, and
marked as Exhibit "A".

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I admit I cannot successfully defend myself against any of the acts of misconduct alleged.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

I understand that, in the event that the application is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this Application of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.

IN THE MATTER : STATEMENT
OF : OF
BUNGORN BOONSURMSUWONGSE, M.D. : CHARGES

-----X

BUNGORN BOONSURMSUWONGSE, M.D., the Respondent, was authorized to practice medicine in New York State on March 5, 1976 by the issuance of license number 126422 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine in New York State.

FIRST SPECIFICATION

Respondent is charged with committing professional misconduct within the meaning of N.Y. Educ. Law Section 6539(9)(d) (McKinney Supp. 1992) by having her license revoked after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state where the conduct resulting in the revocation would, if committed in New York State, constitute professional misconduct under the law of New York State, specifically Section 6530(3)(4), and (5) of the New York Educ. Law:

On March 7, 1991, by order of the Division of Medical Quality of the Medical Board of California ("Board"), based on a Stipulated Settlement among the Board, Respondent, and her attorney, the license of Respondent to practice medicine was revoked by the State of California, such revocation was stayed, Respondent was suspended from the actual practice of medicine for 60 days and placed on probation for 5 years. Such action resulted from admission to the charges against her of negligence, gross negligence and incompetence in her practice of Obstetrics/Gynecology in California.

SECOND SPECIFICATION

Respondent is charged with committing professional misconduct within the meaning of N.Y. Educ. Law Section 6530(9)(d) (McKinney Supp. 1992) by having her license suspended indefinitely after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state where the conduct resulting in the suspension would, if committed in New York State constitute professional misconduct under the laws of the State of New York, specifically Section 6530(3)(4), and (5) of the N.Y. Educ. Law:

On November 25, 1991, the Department of Professional Regulation of the State of Illinois issued an order

approving the Stipulation and Recommendation for Settlement entered into between Respondent and the Medical Disciplinary Board of Illinois, thereby suspending indefinitely the license of Respondent to practice medicine in the State of Illinois. Such action was based upon the revocation of Respondent's license to practice medicine in the State of California and the admission by Respondent to the underlying charges of negligence, gross negligence and incompetence in her practice of medicine in California.
