THOMAS M. BOYLE, M.D. : BPMC # 99-220

THOMAS M. BOYLE, M.D., says:

On or about November 2, 1982, I was licensed to practice medicine as a physician in the State of New York having been issued License No.152386 by the New York State Education Department. My address is 10587 Banner Lava Cap Road, Nevada City, CA 95959.

I understand that I have been charged with two (2) specifications of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A."

I am applying to the State Board for Professional Medical Conduct for an agreement to allow me to surrender my license as a physician in the State of New York and request that the Board issue this Surrender Order.

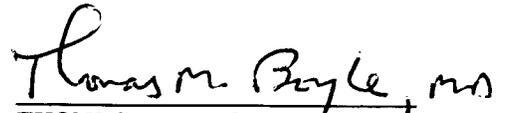

I do not contest the two (2) specifications set forth in the Statement of Charges for economic reasons.

I understand that, in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such proposed agreement shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct agrees with my proposal, this Order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me. I agree that this Order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Order to me at the address set forth above, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this agreement of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.
