IN THE MATTER : STATEMENT  
OF : OF  
CHARLES GERMAN, M.D. : CHARGES

-----X

CHARLES GERMAN, M.D., the Respondent, was authorized to practice medicine in New York State on September 15, 1975, by the issuance of license No. 125071 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about November 8, 1994, the State Board of Medical Examiners of the State of Colorado issued a Stipulation and Final Agency Order in which Respondent admitted that he has a mental disability which renders him unable to perform medical services with reasonable skill and safety to the public in violation of Colorado Revised Statutes §12-36-117(1)(o). Respondent's license to practice medicine in the State of Colorado was revoked and Respondent agreed never to reapply for medical licensure in the State of Colorado. The conduct resulting in the revocation of Respondent's license by the Colorado State Board for Medical Examiners would, if committed in New York State, constitute professional misconduct under N.Y. Educ. Law §6530(8).

SPECIFICATION

Respondent is charged with having his license to practice medicine revoked by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation would, if committed in New York State, constitute professional misconduct under the laws of New York State in violation of N.Y. Educ. Law §6530(9)(d).
