IN THE MATTER
OF
MURRAY MOLIEN, M.D.

STATEMENT
OF
CHARGES

MURRAY MOLIEN, M.D., the Respondent, was authorized to practice medicine in New York State on or about March 7, 1997, by the issuance of license number 129849 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine.

FIRST SPECIFICATION

The Respondent is charged with professional misconduct within the meaning of N.Y. Educ. Law Section 6530(9)(d)(McKinney Supp. 1995) in that he had disciplinary action taken against his license by a duly authorized professional disciplinary agency of another state where the conduct resulting in the disciplinary action would if committed in New York State, constitute misconduct under the laws of New York State, in that:

On or about October 1, 1992, the Respondent entered into a consent agreement and an order was issued by the New Jersey State Board of Medical Examiners. Said agreement and order were based upon charges that Respondent improperly prescribed excessive amounts of controlled dangerous substances (C.D.S.) to three patients. The New Jersey Order states that Respondent's indiscriminate prescribing of C.D.S. constitutes repeated acts of negligence, malpractice, or incompetence in violation of N.J.S.A. 45:1-13.

This conduct if committed in New York would constitute violation of N.Y. Educ. Law Section 6530(3) and 6530(5)(McKinney Supp. 1995), negligence and incompetence on more than one occasion.

On October 1, 1992, the New Jersey Board issued an order "formally" reprimanding the Respondent, directing that he successfully complete a mini residency program for the prescribing of C.D.S., both diagnostic and clinical sections, and directing that he pay costs of \$1,652.41 and a penalty of \$2,500.
