IN THE MATTER

OF

WALTER A. VOGT, M.D.

DETERMINATION

AND

ORDER

BPMC #08-78

A hearing was held on May 14, 2008, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, both dated April 9, 2008, were served upon the Respondent, **Walter A. Vogt, M.D.** Pursuant to Section 230(10)(e) of the Public Health Law, **David Harris, M.D., M.P.H.**, Chairperson, **Cindy Hoffman, M.D.**, and **Denise M. Bolan, R.P.A.-C.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **John Wiley, Esq.**, Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by **Thomas Conway, Esq.**, General Counsel, by **Robert Bogan, Esq.**, and **Peter D. Van Buren, Esq.**, of counsel. The Respondent did not appear at the hearing either in person or by counsel.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

BACKGROUND

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a

violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(b) and (d). Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. All Hearing Committee findings were unanimous.

1. Walter A. Vogt, M.D., the Respondent, was authorized to practice medicine in New York State on July 1, 1985, by the issuance of license number 162954 by the New York State Education Department (Petitioner's Ex. 4).

2. On January 22, 2008, the Medical Board of California, Department of Consumer Affairs ("California Board"), by a Decision ("California Decision"), revoked the Respondent's license to practice medicine, based on substance abuse and failure to complete a recovery program (Petitioner's Ex. 5).

HEARING COMMITTEE CONCLUSIONS

The Hearing Committee concludes that the conduct of the Respondent would constitute professional misconduct under the laws of New York State, had the conduct occurred in New York State, pursuant to New York Education Law Section 6530(8) - "Being a habitual abuser of alcohol, or being dependent on or a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effects, except for a licensee who is maintained on an approved therapeutic regimen which does not impair the ability to practice, or having a psychiatric condition which impairs the licensee's ability to practice..."

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(b) by having been found guilty of improper professional misconduct [sic] by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(d) by having his license to practice medicine revoked and/or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the license revocation and/or other disciplinary action would, if committed in New York State, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing either in person or by counsel. The Administrative Law Judge ruled that Petitioner's Ex. 2 (an Affidavit of Non-Service for the Notice of Referral Proceeding and the Statement of Charges), Ex. 3 (a cover letter for the attempted service by certified mail of the Notice of Referral Proceeding and the Statement of Charges), Ex. 4 (documentation of the Respondent's last known address), Ex. 6 (the unclaimed certified mail package showing three attempts at delivery) and Ex. 7 (a memorandum showing the efforts of the Petitioner's investigator to contact the Respondent and to ascertain his address) demonstrated that the Petitioner had met the requirements of law regarding service of the Notice of Referral Proceeding and the Statement of Charges on the Respondent, and that, therefore, the hearing could proceed on the merits despite the absence of the Respondent.

The California Decision describes the Respondent as a physician with an addiction to opiates and benzodiazepines. The California Board also found that in September of 2006, the Respondent was convicted in California of driving under the influence of drugs. The California Board found that in 2006 and 2007, the Respondent entered, but failed to complete, three substance abuse rehabilitation programs.

Since the Respondent was not present at the hearing, there is no evidence in this hearing record of rehabilitation efforts since the California Decision or any other possible factor in the Respondent's favor. The California Decision demonstrates that the Respondent is a physician whose addiction renders him unable to practice medicine safely. The Petitioner recommended that the Respondent's license to practice medicine be revoked. This Hearing Committee sees no other penalty that will protect the public adequately.

ORDER

IT IS HEREBY ORDERED THAT:

1. The license of the Respondent to practice medicine in New York State is revoked.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).

PLEASE TAKE NOTICE THAT:

An adjudicatory proceeding will be held pursuant to the provisions of New York Public Health Law §§230(10)(p) and New York State Administrative Procedures Act §§301-307 and 401. You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. Pursuant to the provisions of New York Public Health Law §230(10)(p), you shall file a written answer to each of the charges and allegations in the Statement of Charges not less than ten days prior to the date of the hearing. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. You may file a written brief and affidavits with the Committee. Six copies of all papers you submit must be filed with the Bureau of Adjudication at the address indicated above, no later than fourteen days prior to the scheduled date of the Referral Proceeding, and a copy of all papers must be served on the same date on the Department of Health attorney indicated below. Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of New York State Administrative Procedure Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE AND/OR IMPOSES A FINE FOR EACH OFFENSE CHARGED, YOU ARE URGED TO OBTAIN AN ATTORNEY TO REPRESENT YOU IN THIS MATTER.
