AMILCAR J.E. CORREA, M.D. : BPMC #97-282

AMILCAR J.E. CORREA, M.D., says:

On or about March 4 1975, I was licensed to practice medicine as a physician in the State of New York having been issued License No.123373 by the New York State Education Department.

My current address is 3526 Packerham Drive, Chalmette LA 70043 and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I am not currently registered with the New York State Education Department to practice as a physician in the State of New York.

I understand that I have been charged with one specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A".

I am applying to the State Board for Professional Medical Conduct for an agreement to allow me to surrender my license as a physician in the State of New York and request that the Board issue this Surrender Order.

I hereby agree not to contest the allegations and one specification set forth in the Statement of Charges (Exhibit A). This agreement is based upon the Consent Order entered into with the Louisiana Board of Medical Examiners on December 5, 1996, and is not intended to represent any further violation of the Louisiana Practice Act.

I understand that, in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such proposed agreement shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct agrees with my proposal, this Order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this agreement of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.

IN THE MATTER : STATEMENT
OF : OF
AMILCAR J.E. CORREA, M.D. : CHARGES

-----X

AMILCAR J.E. CORREA, M.D., the Respondent, was authorized to practice medicine in New York State on March 4, 1975 by the issuance of license number 123373 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department.

FACTUAL ALLEGATIONS

1. On December 2, 1996, Respondent waived his right to an adjudication pursuant to La.Rev.Stat. §§49:955-965, and entered into a consent Order with the Louisiana State Board of Medical Examiners that placed his license to engage in the practice of medicine in the state of Louisiana on probation for a period of three years. That proceeding was based upon information that Respondent had held out and permitted an unlicensed individual to function as a physician's assistant without licensure or authority of the Louisiana Board.

2. The conduct upon which the finding of professional misconduct and the imposition of disciplinary action in Louisiana was based, would constitute professional misconduct if committed

in New York State under New York Education Law § 6530(11) permitting an unlicensed person to perform activities requiring a license (McKinney Supp. 1997).

FIRST SPECIFICATION

Respondent is charged with professional misconduct under New York Education Law § 6530(9)(d) (McKinney Supp. 1997) in that disciplinary action has been taken against his license by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York State, constitute professional misconduct under the laws of New York State, in that Petitioner charges the facts of paragraphs 1 and 2.
