**CONSENT

AND
ORDER**

BPMC No. 03-358

The Respondent, Compas Medical, P.C., says:

The Respondent is a professional service corporation duly authorized by the filing of its certificate of incorporation with the Department of State on October 24, 2002 to practice medicine in the State of New York pursuant to Article 15 of the Business Corporation Law.

The Respondent is subject to the jurisdiction of the State Board for Professional Medical Conduct, and the prehearing and hearing procedures of Title II-A of Article 2 of the New York Public Health Law, pursuant to Section 1503(d) of the New York Business Corporation Law.

The Respondent is applying to the State Board for Professional Medical Conduct for a Consent Agreement and Order annulling, pursuant to Section 230-a of the Public Health Law and Section 1503(d) of the Business Corporation Law, its certificate of incorporation. This annulment shall be self-executing, this Consent Agreement and Order shall be deemed automatically to be the final and operative document annulling

the Respondent's certificate of incorporation, and the Respondent hereby requests that the Board issue this Consent Agreement and Order.

The Respondent acknowledges the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A."

Subject to the terms, conditions and limitations of this Consent Agreement and Order, the Respondent admits the allegations and specification set forth in the First Specification of the Statement of Charges in full satisfaction of all such allegations and specifications.

The Respondent agrees that, in the event the State Board for Professional Medical Conduct agrees with its proposal, this Consent Agreement and Order shall be issued annulling its certificate of incorporation. The Respondent agrees that this annulment shall be self-executing, and this Consent Agreement and Order shall be deemed automatically to be the final and operative document annulling the Respondent's certificate of incorporation. The Respondent agrees, notwithstanding the above, that nothing herein shall be construed to absolve the Respondent in any way from paying to the Departments of State, Education, and Taxation and Finance any outstanding taxes, fines and penalties.

In addition, the Respondent agrees that this Consent Agreement and Order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, or by faxing, a copy of this Consent Agreement and Order to the Respondent in care of Rex Whitehorn, Rex Whitehorn & Associates, P.C., 98 Cutter Mill Road, Suite 234, Great Neck, New York 11021, Fax # (516) 829-5190.

The Respondent agrees that in the event it is charged with professional misconduct in the future for violation or non-compliance with any provision of this Consent Agreement and Order, or in the event that it is charged with professional misconduct in the future for any other type of misconduct, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

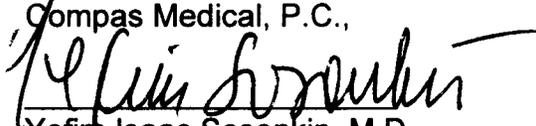

The Respondent acknowledges that, in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon it or construed to be an admission of any act of misconduct alleged or charged against it, such proposed agreement shall not be used against it in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

The Respondent is making this application of its own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to it of the acceptance by the Board of this application allowing it to resolve this matter without the various risks and burdens of a hearing on the merits, the Respondent knowingly waives any right it may have to contest, whether administratively or judicially, the Consent Agreement and Order issued hereunder for which it hereby applies and the Respondent asks that the application be granted.

The Respondent is making this application through Yefim Isaac Sosonkin, M.D., who, without his knowledge and consent, was designated in the corporate records on

file with the Department of Education as shareholder, director, and officer of the Respondent. The Respondent and Dr. Sosonkin desire to annul the Respondent's certificate of incorporation, and hereby warrant that Dr. Sosonkin prima facie has the necessary corporate authority to enter into this Consent Agreement and Order on behalf of the Respondent. Dr. Sosonkin also hereby warrants that he is not in possession, custody, or control of any premises maintained by the Respondent, he is not in possession, custody, or control of any patient medical records maintained by the Respondent, and, therefore, the State Board for Professional Medical Conduct acknowledges that Dr. Sosonkin has no record retention responsibilities regarding patient medical records of the Respondent. Accordingly, Dr. Sosonkin hereby consents on behalf of the Respondent to the annulment of the Respondent's certificate of incorporation.

- D. Dr. Sosonkin is an individual who was duly licensed to practice medicine in the State of New York on March 27, 1998.
- E. Upon information and belief based on representations by Dr. Sosonkin: at no time was Dr. Sosonkin aware of, or a participant in, the formation, transfer, or ownership in any way, of the Respondent; at no time did Dr. Sosonkin have any knowledge that the Respondent would be formed under his name, transferred to him, or owned in any way by him; at no time was Dr. Sosonkin ever aware that someone had forged a document or filed a document designating him as a shareholder, director, officer, or owner in any way, of the Respondent; at no time was Dr. Sosonkin aware that the operations of the Respondent continued under his name as a shareholder, director, officer, or owner in any way of the Respondent.
