**IN THE MATTER  
OF  
Ming Zhong Zhu, M.D.**

**CONSENT  
AGREEMENT  
AND  
ORDER**

Ming Zhong Zhu, M.D., represents that all of the following statements are true:

That on or about August 15, 1995, I was licensed to practice as a physician in the State of New York, and issued License No. 200493 by the New York State Education Department.

My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I agree not to contest the act of professional misconduct alleged in the charges. In full satisfaction of the charges against me, I agree to the following:

(1) Pursuant to Pursuant to N.Y. Pub. Health Law § 230-a(9), I shall be placed on probation for a period of three years, subject to the terms set forth in attached Exhibit "B.";

(2) Pursuant to N.Y. Pub. Health Law § 230-a(3), my license to practice medicine in New York State shall be limited to permit physical examinations of female patients only with a chaperone present, as outlined in the conditions below:

- Respondent shall, in the course of practicing medicine in New York State, examine or treat any female patient only in the presence of a chaperone. The chaperone shall be a licensed or registered health care professional or other health care worker, shall not be a family member, personal friend, or be in a professional relationship with Respondent which could pose a conflict with the chaperone's responsibilities. The chaperone shall be proposed by Respondent and subject to the written approval of the Director of OPMC.
  
- Prior to the approval of any individual as chaperone, Respondent shall cause the proposed chaperone to execute and submit to the Director of OPMC an acknowledgment of the chaperone's agreement to undertake all of the responsibilities of the role of chaperone. Said acknowledgment shall be made upon a form provided by and acceptable to the Director. Respondent shall provide the chaperone with a copy of the Order and all of its attachments and shall, without fail, cause the approved chaperone to:
  - a. Report quarterly to OPMC regarding the chaperoning of Respondent's practice.
  - b. Report within 24 hours any failure of Respondent to comply with the Order, including, but not limited to, any failure by Respondent to have the chaperone present when required, and any inappropriate actions by Respondent in the presence of any patient.
  - c. Confirm the chaperone's presence at each and every physical examination and treatment of a female patient by Respondent, by placing the chaperone's name, title and date in the patient record for each and every visit,

and by maintaining a separate log, kept in the chaperone's own possession, listing the patient name and date of visit for each and every patient visit chaperoned.

- d. Provide copies of the log described in paragraph c, above, to OPMC at least quarterly and also immediately upon the Director's request.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed.

Respondent shall respond promptly and provide all documents and

information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial of this Consent Agreement shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
