STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing where a licensee is charged solely with a violation of Education Law Section 6530(9). In such case, a licensee is charged with misconduct based upon a prior criminal conviction in New York or another jurisdiction, or upon a prior administrative adjudication regarding conduct which would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(a)(iii). A copy of the Notice of Referral Proceeding and Statement of Charges is attached to this Determination and Order as Appendix I.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers in parenthesis refer to transcript page numbers or exhibits. These citations represent evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous unless otherwise stated.

(Pet.'s Ex. 4)
3. The Respondent was sentenced, as follows: 7 months incarceration beginning January 26, 1998; 12 months community supervision upon release from confinement; payment of \$244.39 for Victim Penalty Assessment and court costs; and no contact with Debra Emery for 10 years. (Pet.'s Ex. 4)
4. If committed within this state, the Respondent's conduct would have constituted a crime under New York State law (namely N.Y. Penal Law §§120.00 and/or 120.05). (Pet.'s Ex. 5)

PLEASE TAKE NOTICE THAT:

An adjudicatory proceeding will be held pursuant to the provisions of N.Y. Pub. Health Law §§230(10)(p) (McKinney Supp. 1998) and N.Y. State Admin. Proc. Act §§301-307 and 401 (McKinney 1984 and Supp. 1998). The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on August 19, 1998, at 10:00 a.m., at the offices of the New York State Department of Health, 5 Penn Plaza, Sixth Floor, New York, New York 10001.

At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, which is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. The answer shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health whose name appears below. You may file a written brief and affidavits with the Committee. Six copies of all papers you submit must be filed with the Bureau of Adjudication at the address indicated above, no later than fourteen days prior to the scheduled date of the Referral Proceeding, and a copy of all papers must be served on the same date on the Department of Health attorney indicated below. Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of N.Y. State Admin. Proc. Act §401 (McKinney Supp. 1998) and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby

demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.
