COPY

A hearing was held on December 5, 2012, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, and Commissioner's Order, all dated September 13, 2012, were served upon the Respondent, **RONALD BRADSHAW, R.P.A.**

Pursuant to Section 230(10)(e) of the Public Health Law, **Richard F. Kasulke, M.D., Chair, Lyon M. Greenberg, M.D., and Dennis Zimmerman, M.S.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **David A. Lenihan, Esq.**, Administrative Law Judge, served as the Administrative Officer. The Petitioner appeared by **James E. Dering, Esq.**, General Counsel, by **Michael G. Bass, Esq.**, of Counsel. The Respondent, **Ronald Bradshaw, R.P.A.**, did not appear, although duly served by substituted service. Evidence was received and transcripts of these proceedings were made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9) (a)(ii) by having being convicted of committing an act constituting a crime under federal law. For this felony conviction, the Respondent's license to practice medicine in New York State had been summarily suspended by Commissioner's Order dated September 13, 2012.

Copies of the Commissioner's Order , Notice of Referral Proceeding and the Amended Statement of Charges are attached to this Determination and Order as Appendix 1.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Ronald Bradshaw, RPA., the Respondent, did not appear at the hearing although duly served with process by substituted service. (Petitioner's Ex. 2)
2. Ronald Bradshaw, RPA., the Respondent, was authorized to practice as a physician's assistant in New York State on May 27, 1977, by the issuance of license number 000629 by the New York State Education Department. (Petitioner's Ex. 4)
3. On or about June 29, 2009, in the United States District Court, Central District of California, Respondent was found guilty, based on a verdict of guilty, of four (4) counts of Health Care Fraud, 18 U.S.C. § 1347, and one count of Aggravated Identity Theft, 18 U.S.C. § 1028A and was sentenced, on or about April 14, 2010, to 25 months in prison, 3 years supervised release, \$587,010.00 In restitution, and \$500.00 In fees. (Petitioner's Ex. 5)
4. The conduct resulting in the California federal conviction against Respondent would constitute misconduct under the laws of New York State, pursuant to the following section of New York State law:

New York Education Law §6530(9) (a) (ii) (by having been convicted of committing an act constituting a crime under federal law.

5. By Commissioner's Summary Order, dated September 13, 2012, the Respondent's license to practice medicine in New York was suspended based upon the above federal conviction. (Petitioner's Ex. 1)

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

"Respondent violated New York Education Law §6530(9)(a)(ii) by having been convicted of committing an act constituting a crime under federal law ..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing, either in person or by counsel. The Administrative Law Judge, after considering the documentary evidence, which included an Affidavit of Substituted Service of the Notice of Referral Proceeding and the Statement of Charges (Petitioner's Exhibit 2), ruled that the Petitioner had met the requirements of law for due diligence in the service of process, that jurisdiction had been established over the Respondent, and that the hearing could proceed on the merits notwithstanding the Respondent's absence.

The record in this case indicates that Respondent was convicted of a federal crime in the Central District of California. (See Exhibit 5) The record shows that the Respondent has been convicted of Health Care Fraud and Aggravated Identity Theft and is presently serving a 25 month prison term for these crimes. (Ex. 6)

It is clear from the documentary record and the evidence submitted at the hearing by the Department that the basis of the California federal action was certain conduct that would also constitute misconduct under the laws of New York State. Respondent did not appear at the hearing, and the record does not contain any evidence of mitigating circumstances, or remorse.

The Department's attorney, Mr. Bass, stated that, given the nature of the conviction in California, there is no other appropriate outcome in New York State but to revoke the Respondent's license. The panel, unanimously, agreed with the Department on this recommendation. As to the penalty, therefore, the Hearing Committee determined that the people of New York State would be protected by a revocation of the Respondent's license. Accordingly, the panel decided, unanimously, to revoke the Respondent's license under the circumstances of this case.

ORDER

IT IS HEREBY ORDERED THAT:

1. The license of the Respondent to practice as a physician's assistant in New York State is revoked.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10) (h).
