OF

DETERMINATION

AND

ORDER

BPMC #08-67

A hearing was held on April 17, 2008, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, both dated March 24, 2008, were served upon the Respondent, **Stefan Semchyshyn, M.D.** Pursuant to Section 230(10)(e) of the Public Health Law, **Mohammad-Reza Ghazi-Moghadam, M.D.**, Chairperson, **Lyon M. Greenberg, M.D.**, and **Mr. Thomas W. King, Jr., M.P.A., P.E.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **John Wiley, Esq.**, Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by **Thomas Conway, Esq.**, General Counsel, by **Robert Bogan, Esq.**, of counsel. The Respondent did not appear at the hearing either in person or by counsel.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

BACKGROUND

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a

violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(b) and (d). Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. All Hearing Committee findings were unanimous.

1. Stefan Semchyshyn, M.D., the Respondent, was authorized to practice medicine in New York State on August 21, 1981, by the issuance of license number 147447 by the New York State Education Department (Petitioner's Ex. 4).

2. On February 13, 2008, the State Medical Board of Ohio ("Ohio Board"), by an Entry of Order ("Ohio Order"), permanently revoked the Respondent's certificate to practice medicine and surgery, based on making false, fraudulent, deceptive, or misleading statements in connection with his Ohio medical certificate renewal application

and providing false answers on other state medical board applications. (Petitioner's Ex.

5).

HEARING COMMITTEE CONCLUSIONS

The Hearing Committee concludes that the conduct of the Respondent would constitute professional misconduct under the laws of New York State, had the conduct occurred in New York State, pursuant to:

- New York Education Law Section 6530(2) - "Practicing the profession fraudulently or beyond its authorized scope;"

- New York Education Law Section 6530(9)(b) - "Having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state;"

- New York Education Law Section 6530(9)(d) - "Having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state;" and

- New York Education Law Section 6530(21) - "Willfully making or filing a false report, or failing to file a report required by law or by the department of health or the

education department, or willfully impeding or obstructing such filing, or inducing another person to do so..."

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(d) by having his license to practice medicine revoked and/or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the license revocation and/or suspension or other disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing either in person or by counsel. The Administrative Law Judge ruled that Petitioner's Ex. 2, an affidavit of service, proved that the Respondent had been personally served with the Notice of Referral Proceeding and the Statement of Charges, that this service satisfied the legal requirements for establishing jurisdiction over the Respondent, and that a hearing on the merits of the case could be held despite the absence of the Respondent.

The Ohio Board revoked the Respondent's certificate to practice medicine for several dishonest and fraudulent acts. On September 19, 2003, the Respondent signed and submitted an application for renewal of his Ohio certificate to practice. He answered "No" to the question of whether, at any time since the signing of his previous renewal application, any board, bureau, department, agency or any other body had filed any charges, allegations or complaints against him. The Ohio Board found that, in fact, subsequent to the signing of the previous Ohio renewal application, the Washington Department of Health had brought charges against the Respondent of unprofessional conduct and concealment of material facts in obtaining a license.

The Ohio Board also based its action on findings that the Respondent had been found guilty by the professional disciplinary and licensing agencies of other states for committing similar acts of dishonesty on documents that he had submitted in those states. For instance, the Ohio Board held that the Respondent had been sanctioned in West Virginia for falsely answering a question on a license application submitted in that state in 2001.

A reading of the Ohio Order leaves a strong and clear impression that the Respondent is not a trustworthy physician. Since the Respondent did not appear at the hearing, there is no evidence of mitigating circumstances, rehabilitation or remorse in the hearing record. There is nothing in the hearing record that contradicts the contention that the Respondent does not possess the honesty and personal integrity required of a physician in New York State. The Petitioner recommended that the Respondent's license to practice medicine be revoked. This Hearing Committee sees no alternative penalty that adequately protects the public.

ORDER

IT IS HEREBY ORDERED THAT:

1. The Respondent's license to practice medicine in New York State is revoked.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).

PLEASE TAKE NOTICE THAT:

An adjudicatory proceeding will be held pursuant to the provisions of New York Public Health Law §§230(10)(p) and New York State Administrative Procedures Act §§301-307 and 401. At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, which is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. Pursuant to the provisions of New York Public Health Law §230(10)(p), you shall file a written answer to each of the charges and allegations in the Statement of Charges not less than ten days prior to the date of the hearing. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. The answer shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health whose name appears below. You may file a written brief and affidavits with the Committee. Six copies of all papers you submit must be filed with the Bureau of Adjudication at the address indicated above, no later than fourteen days prior to the scheduled date of the Referral Proceeding, and a copy of all papers must be served on the same date on the Department of Health attorney indicated below. Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of New York State Administrative Procedure Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE AND/OR IMPOSES A FINE FOR EACH OFFENSE CHARGED, YOU ARE URGED TO OBTAIN AN ATTORNEY TO REPRESENT YOU IN THIS MATTER.
