BPMC #00-225

DEXTER ANTHONY MCKENZIE, M.D., the Respondent, says:

That on or about December 7, 1989, I was licensed to practice as a physician in the State of New York, having been issued License No. 180953 by the New York State Education Department.

My current address is 942 Rockaway Avenue, Brooklyn, NY 11212, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit "A".

I admit guilt to the allegations set forth in paragraphs H, I, and M of the

Statement of Charges and I do not contest the Sixth Specification of the Statement of Charges, in full satisfaction of the charges against me.

I hereby agree to the following penalty:

I shall be fined forty thousand dollars (\$40,000.00), payable in ten equal quarterly installments beginning ninety days after the effective date of the order issued hereunder.

My license to practice medicine shall be limited and restricted for my lifetime to prohibit me from supervising a physician assistant in any professional service corporation practicing medicine, professional limited liability corporation practicing medicine, or registered limited liability partnership practicing medicine, in which I am a shareholder, director or officer.

My license to practice medicine shall be limited and restricted for my lifetime to prohibit me from simultaneously incorporating, acquiring, owning or being a shareholder, director, officer or partner of more than one professional service corporation practicing medicine, professional limited liability corporation practicing medicine, or registered limited liability partnership practicing medicine, with such professional service corporation, professional limited liability corporation, or registered limited liability partnership simultaneously having no more than one practice location.

I shall use my best efforts to dissolve Brooklyn Health Medical GRP, P.C., as soon as possible, with the objective of effecting formal dissolution, in accordance with Department of State requirements, within thirty days of the

effective date of the order issued hereunder. Until formal dissolution is effected, I shall take any formal action necessary to prevent the practice of medicine by Brooklyn Health Medical GRP, P.C.

I shall voluntarily and willingly participate in the Office of Professional Medical Conduct's investigation and/or prosecution of the physician assistant identified in the Statement of Charges as RPA #1.

I further agree that the Consent Order for which I hereby apply shall impose the following conditions:

I shall maintain current registration of my license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in effect beginning thirty days after the effective date of the order issued hereunder and will continue while I possess my license; and

I shall fully cooperate in every respect with the Office of Professional Medical Conduct in its administration and enforcement of the order issued hereunder and in its investigation of all matters regarding me. I shall respond in a timely manner to each and every request by the Office of Professional Medical Conduct to provide written periodic verification of my compliance with the terms of the order issued hereunder. I shall meet with a person designated by the Director of the Office of Professional Medical Conduct as directed. I shall respond promptly and provide any and all documents and information within my control upon the direction of the Office of Professional Medical Conduct. This condition

shall be in effect beginning upon the effective date of the order issued hereunder and will continue while I possess my license.

I shall submit written notification to the New York State Department of Health addressed to the Director of the Office of Professional Medical Conduct, New York State Department of Health, 433 River Street, Suite 303, Troy, NY 12180-2299; said notice is to include a full description of any employment and practice, professional and residential addresses and telephone numbers within or without New York State, and any and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty days of the effective date of the order issued hereunder, and thereafter, within thirty days of each such action, change or occurrence.

I hereby stipulate that any failure by me to comply with such conditions, including, but not limited to, the timely submission of installment payments of the fine, shall constitute misconduct as defined by New York State Education Law §6530(29)(McKinney Supp 2000). Any civil penalty not paid by the date prescribed herein shall be subject to all provisions of law relating to debt collection by New York State. This includes but is not limited to the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law section 171(27); State Finance Law section 18; CPLR section 5001; Executive Law section 32].

I shall assume and bear all costs related to compliance with this

order.

I agree that in the event I am charged with professional misconduct in the future, this agreement and order issued hereunder shall be admitted into evidence in that proceeding.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me; such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board were to grant my application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the order issued hereunder to me at the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this application of my own free will and accord and not under

duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this application allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest, whether administratively or judicially, the order issued hereunder for which I hereby apply and I ask that the application be granted.
