IN THE MATTER : STATEMENT
OF : OF
WILSON GEORGE SCANLON, M.D. : CHARGES
-----X

WILSON GEORGE SCANLON, M.D., the Respondent, was authorized to practice medicine in New York State on September 3, 1941 by the issuance of license number 039511 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine. He resides at 1596 Lancaster Terrace, Jacksonville, Florida 32204.

SPECIFICATION

1. Respondent is charged with professional misconduct within the meaning of N.Y. Educ. Law Section 6530(9)(d) (McKinney Supp. 1994), in that he had disciplinary action taken against his license by a duly authorized professional disciplinary agency of another state where the conduct resulting in the disciplinary action would, if committed in New York State, constitute professional misconduct, specifically:

On or about June 6, 1992, the Board of Medicine of the State of Florida ("Board") took disciplinary action against Respondent's license based on a plea of nolo contendere to charges in an Administrative Complaint filed on September 5, 1991. The Board had charged the Respondent with violating the following three Florida statutes governing professional misconduct: Fla. Stat. Ann. Sec. 458.331(1)(t) (1993) ("Committing gross or repeated malpractice"); Fla. Stat. Ann. Sec. 458.331(m) (1993) ("Failing to keep written medical records justifying the course of treatment of patients"); and Fla. Stat. Ann. Sec. 458.331(1)(q) (1993) ("Prescribing, dispensing, administering, mixing, or otherwise preparing a legend drug, including any controlled substance, other than in the course of the physician's practice").

The Board charged that on or about and between April 1988 and April 1989 Respondent inappropriately prescribed Darvocet N-100 tablets, a Schedule 4 controlled substance, to a patient with a history of drug misuse and

depression. The Board reprimanded the Respondent and ordered a \$1,000.00 fine.

The acts alleged in the Florida Board's Administrative Complaint, if committed in New York State, would have constituted misconduct under N.Y. Educ. Law Sections 6530(3) ("Practicing the profession with negligence on more than one occasion"), 6530(4) ("Practicing the profession with gross negligence on a particular occasion"), 6530(5) ("Practicing the profession with incompetence on more than one occasion"), 6530(6) ("Practicing the profession with gross incompetence on a particular occasion"), 6530(35) ("Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient"). (McKinney Supp. 1994).
