A hearing was held on August 25, 2011, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, both dated April 28, 2011, were served upon the Respondent, **Anastasia Kucharski, M.D.**

Pursuant to Section 230(10)(e) of the Public Health Law, **Peter B. Kane, M.D.**, Chair, **Berton R. Shayevitz, M.D.**, and **Heidi B. Miller, M.P.H., R.P.A.-C.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **David A. Lenihan, Esq.**, Administrative Law Judge, served as the Administrative Officer. The Petitioner appeared by **James E. Dering, Esq.**, General Counsel, by **Joel E. Abelove, Esq.**, of Counsel. The Respondent, **Anastasia Kucharski, M.D.** did not appear, either in person or by counsel, although duly served. Evidence was received and a transcript of these proceedings was made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

### STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10) (p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9) (b) in that Respondent violated New York Education Law §6530(9) (b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state.

Respondent is also charged with violating New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state.

Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

## WITNESSES

For the Petitioner: None  
For the Respondent: None

## FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. The Respondent, Anastasia Kucharski, M.D., did not appear, although she was duly served with process. (Petitioner's Exhibit 2)
2. Anastasia Kucharski, M.D., the Respondent, was authorized to practice medicine in New York State on September 12, 2000, by the issuance of license number 219210 by the New York State Education Department. (Petitioner's Ex. 4)
3. On or about January 26, 2010, the Commonwealth of Massachusetts, Division of Administrative Law Appeals, by STIPULATION, made among others, the following FINDINGS OF FACT: that Respondent indicated she had malpractice insurance on her 2001 Renewal Application when in fact, she did not; that Respondent failed to disclose

criminal charges on her 1991 and 1995 Renewal Applications, and that Respondent failed to disclose criminal charges on her 2008 Lapsed License Application. Regarding sanction, Respondent, Respondent's attorney and Complaint Counsel recommended to the Board of Registration in Medicine (hereinafter "Massachusetts Board") that it impose the sanction of revocation of the Respondent's inchoate right to renew her license to practice medicine.

4. On or about April 14, 2010, the Massachusetts Board, by Final Decision and Order, REVOKED Respondent's inchoate right to renew her license.

5. The conduct resulting in the Massachusetts Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following section of New York State law:

New York Education Law Sec. 6530(2) (practicing the profession fraudulently).

### **VOTE OF THE HEARING COMMITTEE**

#### **SPECIFICATIONS**

##### **FIRST SPECIFICATION**

" Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

**VOTE: Sustained (3-0)**

## SECOND SPECIFICATION

"Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

**VOTE: Sustained (3-0)**

## HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing, either in person or by counsel. The Administrative Officer, after considering the documentary evidence, which included an Affidavit of Personal Service of the Notice of Referral Proceeding and the Statement of Charges (Petitioner's Exhibit 2) ruled that the Petitioner had met the requirements of law for service of process, that jurisdiction had been established over the Respondent and that the hearing could proceed on the merits notwithstanding the Respondent's absence.

It is noted that the Respondent had called the Department's attorney and left a message requesting an adjournment. No such request was made to the Administrative Officer or to the Bureau of Adjudication. The Administrative Officer noted that this matter was originally scheduled for June 23 and that an adjournment was granted to August 25,

with the understanding that this was a date certain and that no additional adjournments would be granted.

In any event, no request for an adjournment was made to the Administrative Officer for the present hearing. The Respondent did not appear, she was found to be in default and the hearing proceeded. (T. 11)

In assessing the penalty to be imposed in this case, the panel took many factors into account, and noted, especially, that the record shows that the Respondent committed acts of fraud on several occasions. The Department recommended revocation so as to protect the public in New York State. The panel considered the full range of penalties available in the case and determined that a revocation would be appropriate under the circumstances of this case.

### ORDER

#### IT IS HEREBY ORDERED THAT:

1. The specifications of professional misconduct, as set forth in the Statement of Charges, are SUSTAINED.
2. The license of the Respondent to practice medicine in New York State is revoked.
3. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10) (h).

The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. Pursuant to the terms of New York State Administrative Procedure Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner demands, hereby, disclosure of the evidence that Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence, and a description of physical and/or other evidence that cannot be photocopied.

**YOU ARE ADVISED, HEREBY, THAT THE ATTACHED CHARGES WILL BE MADE PUBLIC FIVE (5) BUSINESS DAYS AFTER THEY ARE SERVED.**

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five (5) days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.
