CONSENT

AGREEMENT

AND ORDER

**MASOOD UL-HASSAN ANSARI, M.B.B.S., aka MASOOD UL-HASSAN ANSARI, M.D.**, representing that all of the following statements are true, deposes and says:

That on or about December 10, 1996, I was licensed to practice as a physician in the State of New York, and issued License No. 205218 by the New York State Education Department.

My current address is REDACTED, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct Board has charged me with one (1) Specification of professional misconduct, based solely upon the State of Florida, Board of Medicine, June 27, 2006, Final Order.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of this Consent Agreement.

I do not contest the one (1) Specification, in full satisfaction of the charges against me, and agree to the following penalty:

Respondent shall document the completion of five (5) hours of CME in the area of atypical chest pain syndrome and EKG diagnosis of acute myocardial infraction within one (1) year from the date of this Order.

Respondent shall complete 100 hours of community service within one (1) year from the date of this Order. The community service shall be provided without fee or cost to the person or entity benefitting from the service, for the good of the people.

Respondent shall document completion of a medical records course within one (1) year from the date of this Order.

Respondent's successful completion of the five (5) hours of CME in the area of atypical chest pain syndrome and EKG diagnosis of acute myocardial infraction, the one hundred (100) hours of community service, and the medical records keeping course set forth in the State of Florida Board of Medicine, June 27, 2006, Final Order, will serve to satisfy the similar requirements in this Order.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

STATEMENT  
OF  
CHARGES

**MASOOD UL-HASSAN ANSARI, M.B.B.S., aka MASOOD UL-HASAN ANSARI, M.D.,** Respondent, was authorized to practice medicine in New York state on December 10, 1996, by the issuance of license number 205218 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about June 27, 2006, the State of Florida, Board of Medicine (hereinafter "Florida Board"), by a Final Order (hereinafter "Florida Order"), issued to Respondent a Letter of Concern, required him to complete five (5) hours of CME in the area of atypical chest pain syndrome and EKG diagnosis of acute myocardial infarctions, a record keeping course, one hundred (100) hours of community service, and to pay a \$7,500.00 fine and \$1,936.12 costs, based on failing to practice medicine with that level of care, skill, and treatment which is recognized by a reasonably prudent similar physician as being acceptable under similar conditions and circumstances and failing to document and justify the course of a patient's medical treatment.

B. The conduct resulting in the Florida Board disciplinary action against Respondent would constitute misconduct under the laws of New York state, pursuant to the following sections of New York state law:

1. New York Education Law §6530(4) (gross negligence);
2. New York Education Law §6530(6) (gross incompetence); and/or
3. New York Education Law §6539(32) (failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

**SPECIFICATION**

Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and/or B.
