I understand that I have been charged with one specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A".

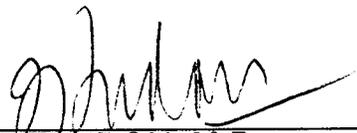

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I neither admit nor deny the allegations in the statement of charges (nolo contendere), in full satisfaction of the Statement of Charges.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

**IN THE MATTER
OF
JAGJIT S. TANDON, M.D.**

**STATEMENT
OF
CHARGES**

JAGJIT S. TANDON M.D., the Respondent, was authorized to practice medicine in New York State on or about April 4, 1988, by the issuance of license number 174100 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about May 17, 1995, the Tennessee Board of Medical Examiners ("Board") found, after a hearing, that Respondent violated Tennessee Medical Practice Act 63-6-214(b)(1). A person violates the aforementioned section of the Tennessee Medical Practice Act by engaging in unprofessional, dishonorable or unethical conduct. The Board found that in or about April and May 1994 the Respondent improperly and without consent engaged in sexual contact with two females. Neither female was a patient of Respondent.

The Board suspended Respondent's license and ordered that he undergo psychiatric evaluation. After considering the results of the psychiatric evaluation which found Respondent free of any psychiatric difficulty that would interfere with his practice of medicine, the Board reinstated Respondent's medical license. Respondent voluntarily retired his Tennessee medical license. The Board ordered that before Respondent could reactivate his

Tennessee medical license the Respondent would have to submit to any evaluations it deemed necessary and to personally appear before the Board for a determination as to his fitness to practice medicine.
