NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER  
OF  
ANDREW EDWARD LEVINE, M.D.**

**CONSENT  
AGREEMENT  
AND  
ORDER**

ANDREW EDWARD LEVINE, M.D., representing that all of the following statements are true, deposes and says:

That on or about May 28, 1992, I was licensed to practice as a physician in the State of New York, and issued License No. 189015 by the New York State Education Department.

My current address is 178 East 80<sup>th</sup> Street, Apt. 23C, New York, N.Y. 10021, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with one specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I admit the First Specification, Having Been Convicted of Committing an Act Constituting a Crime under New York State law, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to Public Health Law §230-a(1), a Censure and Reprimand shall be imposed, and pursuant to Public Health Law §230-a(9), I shall be placed on probation for a period of five years, subject to the terms in attached Exhibit "B."

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

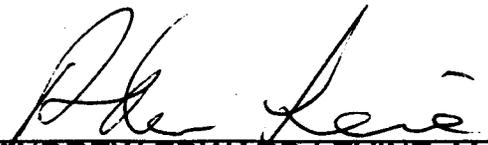

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

Any act of professional misconduct by Respondent as defined by New York State Education Law §6530 or §6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to New York State Public Health Law §230(19).
2. Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees.
3. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that such information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty (30) days of each action.
4. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
5. 14. Respondent shall submit, at the request of a monitor, to random, unannounced observed blood, breath and/or urine screens for the presence of drugs/alcohol. The practice supervisor shall be on-site at all locations, unless determined otherwise by the Director of OPMC. Respondent shall not practice medicine until a practice supervisor has been approved. Respondent shall ensure that the practice supervisor is in a position to regularly observe and assess Respondent's medical practice. Respondent shall cause the practice supervisor to report within 24 hours any suspected impairment, inappropriate behavior, questionable medical practice or possible misconduct to OPMC.

17. Respondent shall cause the practice supervisor to review Respondent's practice regarding the prescribing, administering, dispensing, inventorying, and disposal of controlled substances. The practice supervisor shall oversee Respondent's prescribing, administering, dispensing, inventorying and wasting of controlled substances.
18. Respondent shall cause the practice supervisor to submit quarterly reports to OPMC regarding the quality of Respondent's medical practice, including Respondent's evaluation and treatment of patients, Respondent's general demeanor, physical and mental condition, Respondent's time and attendance or any unexplained absences from work, Respondent's prescribing practices, and his compliance or failure to comply with any term of probation.
19. Respondent shall continue in counseling or other therapy with a therapist as long as the therapist determines is necessary, or for the period of time dictated in the Order.
20. Respondent shall cause the therapist to submit a proposed treatment plan and quarterly reports to OPMC certifying whether Respondent is in compliance with the treatment plan. Respondent shall cause the therapist to report to OPMC within 24 hours if Respondent leaves treatment against medical advice, or displays any symptoms of a suspected or actual relapse.
21. Respondent shall comply with any OPMC request to obtain an independent psychiatric/chemical dependency evaluation by a health care professional proposed by the Respondent and approved, in writing, by the Director of OPMC. The evaluator shall report to the Director regarding Respondent's condition and fitness or incapacity to practice medicine. Respondent shall comply with all treatment recommendations made in the evaluation. Failure to comply with such treatment recommendations shall constitute professional misconduct.
22. Respondent shall enroll, or continue enrollment, in the Committee for Physicians' Health (CPH) and shall engage in a contract with CPH that fully describes the terms, conditions and duration of a recovery program. Respondent shall comply with the contract.
  - a. Respondent shall provide a written authorization for CPH to provide the Director of OPMC with any/all information or documentation requested by OPMC to determine whether Respondent is in compliance with the contract.
  - b. Respondent shall cause CPH to report to OPMC promptly if Respondent refuses to comply with the contract, refuses to submit to treatment, or if Respondent's impairment is not substantially alleviated by treatment. CPH shall report immediately to OPMC if Respondent is regarded at any time to be an imminent danger to the public.
23. Respondent shall comply with this Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
