I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) Specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of this Surrender of License.

I ask the Board to accept the Surrender of my License, and I agree to be bound by all of the terms set forth in attached Exhibit "B."

I understand that if the Board does not accept my Surrender of License, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this application shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

1. Respondent shall immediately cease the practice of medicine in compliance with the terms of the Surrender Order. Respondent shall not represent that Respondent is eligible to practice medicine and shall refrain from providing an opinion as to professional practice or its application.

2. Within 15 days of the Surrender Order's effective date, Respondent shall notify all patients that Respondent has ceased the practice of medicine, and shall refer all patients to another licensed practicing physician for their continued care, as appropriate.

3. Within thirty days of the Surrender Order's effective date, Respondent shall deliver Respondent's original license to practice medicine in New York State and current biennial registration to the Office of Professional Medical Conduct (OPMC) at 433 River Street Suite 303, Troy, NY 12180-2299.

4. Respondent shall arrange for the transfer and maintenance of all patient medical records. Within thirty days of the Surrender Order's effective date, Respondent shall notify OPMC of these arrangements, including the name, address, and telephone number of an appropriate contact person, acceptable to the Director of OPMC, who shall have access to these records. Original records shall be retained for patients for at least six years after the last date of service, and, for minors, for at least six years after the last date of service or three years after the patient reaches the age of majority, whichever time period is longer. Records shall be maintained in a safe and secure place that is reasonably accessible to former patients. The arrangements shall ensure that all patient information is kept confidential and is available only to authorized persons. When a patient or authorized representative requests a copy of the patient's medical record, or requests that the original medical record be sent to another health care provider, a copy of the record shall be promptly provided or sent at reasonable cost to the patient (not to exceed 75 cents per page.) Radiographic, sonographic and like materials shall be provided at cost. A qualified person shall not be denied access to patient information solely because of inability to pay.

If no other licensee is providing services at Respondent's practice location, Respondent shall dispose of all medications.

7. Within 15 days of the Surrender Order's effective date, Respondent shall remove from the public domain any representation that Respondent is eligible to practice medicine, including all related signs, advertisements, professional listings whether in telephone directories or otherwise, professional stationery or billings. Respondent shall not share, occupy or use office space in which another licensee provides health care services.

8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by Respondent or others) while barred from practicing medicine. Respondent may receive compensation for the reasonable value of services lawfully rendered, and disbursements incurred on a patient's behalf, prior to the Surrender Order's effective date.

9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and Respondent's license is revoked, surrendered or suspended for six months or more pursuant to this Order, Respondent shall, within ninety days of the Order's effective date, divest completely of all financial interest in such professional services corporation in accordance with New York Business Corporation Law. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety days of the Order's effective date.
