CONSENT
AGREEMENT
AND ORDER

LASZLO CSURY, M.D., representing that all of the following statements are true, deposes and says:

That on or about August 6, 1998, I was licensed to practice as a physician assistant in the State of New York, and issued license number 211643 by the New York State Education Department.

My current address is Redacted Address, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address within thirty (30) days thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one (1) Specification of professional misconduct, based solely upon an Order issued by the Florida Board of Medicine on or about August 27, 2007.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest the one (1) Specification, in full satisfaction of the charges against me, and agree to the following penalty:

a \$5,000.00 fine.

The fine is to be paid within one (1) year of the effective date of this Order to the NYS Department of Health, Bureau of Accounts Management, Revenue Unit, Empire State Plaza, Corning Tower, Room 1258, Albany, NY 12237-0016.

Respondent shall comply fully with the August 27, 2007, Final Order of the State of Florida, Board of Medicine and any extension or modification thereof.

Respondent shall provide a written authorization for the Florida Board to provide the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the Florida Order.

Respondent shall submit semi-annually a signed Compliance Declaration to the Director of OPMC, which truthfully attests whether Respondent has been in compliance with the Florida Order during the declaration period specified.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

The undersigned agree to Respondent's attached Consent Agreement and to its proposed penalty, terms and conditions.

STATEMENT
OF
CHARGES

LASZLO CSURY, M.D., Respondent, was authorized to practice medicine in New York state on August 6, 1998, by the issuance of license number 211643 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about August 27, 2007, the State of Florida, Board of Medicine (hereinafter "Florida Board"), by a Final Order (hereinafter "Florida Order"), issued to Respondent a Letter of Concern, required him to complete five (5) hours of CME in Medical Risk Management, and required him to pay a \$5,000.00 fine and \$3,732.76 costs, based on failing to practice medicine with that level of care, skill, and treatment which is recognized by a reasonably prudent similar physician as being acceptable under similar conditions and circumstances in one or more of the following way: a) interpreting a patient's frozen sections sent by pathology during the procedure that he reported as benign; b) by submitting an inaccurate and incorrect written pathology report that described the specimens as either, "negative for malignant cells," or "benign."

B. The conduct resulting in the Florida Board disciplinary action against Respondent would constitute misconduct under the laws of New York state, pursuant to the following sections of New York state law:

1. New York Education Law §6530(4) (failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION

Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and/or B.
