STATE OF NEW YORK: DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER

CONSENT

OF

AGREEMENT

SUNG-JANG KIM, M.D.
CO-12-03-1557-A

SUNG-JANG KIM, M.D., (Respondent), representing that all of the following statements are true, deposes and says:

That on or about June 3, 1983, I was licensed to practice medicine in the State of New York and issued license number 154289 by the New York State Education Department.

My current address is REDACTED and I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of my address within thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) Specifications of professional misconduct, based upon the State of California Medical Board, August 29, 2012, Decision and Order, which resulted from my failure to successfully complete the Physician Assessment and Clinical Education Program which the State of California Medical Board and I have previously agreed upon.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

As I have not practiced in New York state since 1983 and I do not intend to return to practice medicine in New York state, I do not contest the Second Specification as it relates to Factual Allegations A and B(1), and I agree:

to never activate my registration to practice medicine as a physician in New York state. [Limitation on registration or issuance of any further license pursuant to Public Health Law Section 230-a(6)].

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

AFFIRMED:

EXHIBIT A

IN THE MATTER
OF
SUNG-JANG KIM, M.D.
CO-12-03-1557-A

STATEMENT
OF
CHARGES

SUNG-JANG KIM, M.D., Respondent, was authorized to practice medicine in New York state on June 3, 1983, by the issuance of license number 154289 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about August 15, 2012, the Office of Administrative Hearings, State of California, in a PROPOSED DECISION, ordered, *inter alia*, that Respondent's Physician's and Surgeon's Certificate be revoked (stayed), and placed Respondent on a period of probation for five years. In the LEGAL CONCLUSIONS of the PROPOSED DECISION, it was found that Respondent's failure to successfully complete the Physician Assessment and Clinical Education Program demonstrated incompetence and subjected his license to discipline. On or about August 29, 2012, the Medical Board of California ("California Board") adopted the PROPOSED DECISION.

B. The conduct resulting in the California Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law Sec. 6530(5) (incompetence on more than one occasion); and/or
2. New York Education Law Sec. 6530(6) (gross incompetence).

SPECIFICATIONS
FIRST SPECIFICATION

Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and B.

SECOND SPECIFICATION

Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

2. The facts in Paragraphs A and B.
