DETERMINATION

AND

ORDER

BPMC NO. 05-187

A hearing was held on August 17, 2005, at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and a Statement of Charges, both dated July 14, 2005, were served upon the Respondent, **Jose Luis Calderon, M.D.** Pursuant to Section 230(10)(e) of the Public Health Law, **William P. Dillon, M.D.**, Chairperson, **Robert J. Corona, D.O.**, and **Ms. Gail S. Homick**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **John Wiley, Esq.**, Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by **Donald P. Berens, Jr., Esq.**, General Counsel, by **Robert Bogan, Esq.**, of Counsel. The Respondent did not appear at the hearing, either in person or by counsel.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

BACKGROUND

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a

violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(a)(iii). Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Jose Luis Calderon, M.D., the Respondent, was authorized to practice medicine in New York State on March 18, 1985, by the issuance of license number 161508 by the New York State Education Department (Petitioner's Ex. 4).

2. On July 19, 2004, in the Superior Court of California, County of San Diego, the Respondent was found guilty, based on a plea of guilty, of Reckless Driving, in

violation of California Vehicle Code Sections 23103(a) and 23103.5, a misdemeanor (Petitioner's Ex. 5).

VOTE OF THE HEARING COMMITTEE

SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(a)(iii) by having been convicted of committing an act constituting a crime under the laws of another jurisdiction and which, if committed in this state, would have constituted a crime under New York state law..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing. The Administrative Law Judge ruled that Petitioner's Ex. 2 proved that the Respondent had been personally served with the Notice of Referral Proceeding and the Statement of Charges and that this was legally sufficient service. The Administrative Law judge ruled that because service was legally sufficient, the hearing could proceed despite the absence of the Respondent.

The Respondent, on the night of April 18, 2004, was stopped by the police because the car that he was driving was weaving from one lane to another. The police determined that the Respondent was intoxicated and arrested him. On July 19, 2004, the Respondent entered a guilty plea to Reckless Driving and was convicted of that charge. The Respondent was convicted pursuant to California Vehicle Code Sections 23103(a) and 23103.5, which is the category of Reckless Driving under California law that applies to Reckless Driving caused by alcohol intoxication.

The Petitioner recommended that the Respondent's license to practice medicine be revoked. Since the Respondent did not appear at the hearing, there is no evidence in the hearing record of mitigating circumstances, remorse or rehabilitation. Because the

Respondent did not appear at the hearing, this Hearing Committee had no opportunity to determine the nature and the scope of the problem that led to the incident at issue. Because the Respondent provided no information or arguments to demonstrate that he should not have his license to practice revoked, the Petitioner's recommendation will be adopted.

ORDER

IT IS HEREBY ORDERED THAT:

1. The Respondent's license to practice medicine in the State of New York is revoked.
2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).

PLEASE TAKE NOTICE THAT:

An adjudicatory proceeding will be held pursuant to the provisions of New York Public Health Law § 230(10)(p) and New York State Administrative Procedure Act Sections 301-307 and 401. The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on the 17th day of August 2005, at 10:00 in the forenoon of that day at the Hedley Park Place, 5th Floor, 433 River Street, Troy, New York 12180.

At the proceeding, evidence will be received concerning the allegations set forth in the attached Statement of Charges. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered that would show that the conviction would not be a crime in New York state. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 5th Floor, 433 River Street, Troy, New York, ATTENTION: HON. SEAN O' BRIEN, DIRECTOR, BUREAU OF ADJUDICATION, (hereinafter "Bureau of Adjudication") as well as the Department of Health attorney indicated below, on or before August 8, 2005.

Pursuant to the provisions of New York Public Health Law §230(10)(p), you shall file a written answer to each of the Charges and Allegations in the Statement of Charges no later than ten days prior to the hearing. Any Charge of Allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such an answer. The answer shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health whose name appears below. You may file a brief and affidavits with the Committee. Six copies of all such papers you wish to submit must be filed with the Bureau of Adjudication at the address indicated above on or before August 8, 2005, and a copy of all papers must be served on the same date on the Department of Health attorney indicated below. Pursuant to Section 301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person.

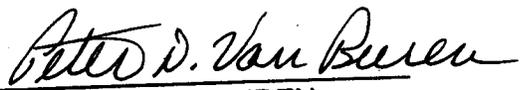

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the Administrative Review Board for Professional Medical Conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE AND/OR IMPOSES A FINE FOR EACH OFFENSE CHARGED, YOU ARE URGED TO OBTAIN AN ATTORNEY TO REPRESENT YOU IN THIS MATTER.
