CONSENT

OF

AGREEMENT

LAWRENCE JAY MARKOVITZ, M.D.

**LAWRENCE JAY MARKOVITZ, M.D.**, (Respondent), representing that all of the following statements are true, deposes and says:

That on or about October 9, 1981, I was licensed to practice medicine in the State of New York and issued license number 147762 by the New York State Education Department.

My current address is 8180 Greensboro Drive, Suite 1015, McLean, VA 22102, and I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of my address within thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one (1) Specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

I do not contest the one (1) Specification for the purposes of this proceeding, and agree to the following sanction:

Censure and Reprimand;

Respondent shall pay a \$2,500.00 fine, to be paid within ninety (90) days of the effective date of the Consent Order to the NYS Department of Health, Bureau of Accounts Management, Revenue Unit, Empire State Plaza, Corning Tower, Room 2784, Albany, NY 12237-0016.

I have not practiced medicine in the State of New York since 1992, nor do I practice in a jurisdiction where my practice is based solely on my New York license. Should I return to the practice of medicine in the State of New York or in any jurisdiction where that practice is predicated upon my New York State medical license, I shall provide ninety

(90) days notice in writing to the Director, OPMC. This written notice must include a full description of my anticipated practice. The Director in his or her sole discretion, may impose whatever limitations, or further conditions, he or she deems appropriate.

I agree, further, that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including, but not limited to, the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the effective date of the Consent Order and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of New York Public Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the Department all information required by the Department to develop a public physician profile for the licensee; continue to notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the Department's secure web site or on forms prescribed by the Department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the Department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to New York Public Health Law § 230, shall constitute professional misconduct as defined in New York Education Law § 6530(21) and New York Education Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in New York Public Health Law § 230-a, including but not limited to: Revocation or Suspension of license, Censure and Reprimand, Probation, Public Service and/or Fines up to \$10,000 per specification of misconduct found.

That Respondent shall cooperate fully with the OPMC in its administration and enforcement of the Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Agreement. Respondent shall meet with a person designated by the Director, OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the

Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

IN THE MATTER  
OF  
LAWRENCE JAY MARKOVITZ, M.D.

STATEMENT  
OF  
CHARGES

LAWRENCE JAY MARKOVITZ, M.D., Respondent, was authorized to practice medicine in New York state on or about October 9, 1981, by the issuance of license number 147762 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about October 24, 2012, the Maryland State Board of Physicians (hereinafter "Maryland Board") ACCEPTED Respondent's permanent surrender of his license to practice medicine in the State of Maryland. Respondent acknowledged that his decision to surrender his license was prompted, in part, by an investigation of the Maryland Board regarding a peer review of Respondent's surgical practice that had found that Respondent had not met the standard of quality care in three (3) surgical cases.

B. The conduct resulting in the Maryland Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following section of New York State law:

1. New York Education Law Sec. 6530(3) (negligence on more than one occasion).

### SPECIFICATION

Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and B.
