OF

STATEMENT
OF
CHARGES

MANJIT SINGH, M.D., the Respondent, was authorized to practice medicine in New York State on or about October 17, 1972, by the issuance of license number 114291 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about March 21, 1996, the New Jersey State Board of Medical Examiners issued an Order of Temporary Suspension suspending Respondent's license to practice medicine in the state of New Jersey, after a hearing on March 13, 1996, upon the Attorney General of New Jersey's application for temporary licensure suspension. In the Order of Temporary Suspension, the New Jersey Board found an "extensive pattern of patient abuse" such that "the respondent's continued licensure would constitute a clear and imminent danger." This suspension was imposed after the initiation of a disciplinary action charging Respondent with conduct which, if committed in New York, would constitute professional misconduct as defined in N.Y. Educ. Law §6530(2) (practicing the profession fraudulently), and/or §6530(20) (conduct in the practice of medicine which evidences moral unfitness to practice medicine). The conduct on which such suspension was based included, inter alia, that Respondent engaged in a pattern of economic fraud by which he borrowed and failed to repay nearly a million dollars from well over a hundred patients, many of them elderly and his patients for

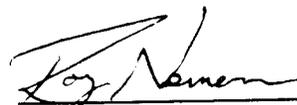

decades, by exploiting the trust placed in him.

SPECIFICATION OF CHARGES
SPECIFICATION
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law §6530(9)(d)(McKinney Supp. 1996) by having his license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state, as alleged in the facts of the following:
